## **WAGE RATES AND SPECIAL CONTRACT REQUIREMENTS:**

This project will be funded in part by the Safe Drinking Water Loan Program (SDWLP) established under Wisconsin State Statutes, and administered by the Wisconsin Department of Natural Resources. Funding under this program requires all iron and steel products used in the construction of the project be produced in the United States (H.R. 3547), including lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. Neither the State of Wisconsin nor any of its departments, agencies, or employees is or will be party to this invitation for bids or any resulting contract.

In addition, contract award shall be subject to Federal requirements pertaining to the Davis-Bacon Act which includes provisions for minimum wages, withholding, certified payrolls, apprentices and trainees, and work hours. Bidders are to pay special attention to the requirements regarding conditions of employment to be observed and minimum wage rates to be paid under contract as pertains to Section 3, Segregated Facility, Section 109 and E.O. 11246.

We encourage Disadvantaged Business Enterprises (DBE), including Minority Business Enterprises (MBE) and Women Business Enterprises (WBE), to submit bid proposals. Program policy requires all bidders to make good faith efforts to solicit DBEs and allow a reasonable amount of time for DBEs to respond to solicitations whenever they subcontract for construction work, equipment, raw materials or supplies. Award of the contract will be subject to the Federal government's policy of good faith effort for increased use of DBE businesses. A description of the policy and forms to be used are included in specifications.

## **RIGHTS RESERVED:**

The City of Two Rivers reserves the right to reject any and all bids, for whatever reason, and to waive any informalities in bids or in the bid process.
